Dear applicant,

I'm delighted for our association to afford the opportunity to help student's fulfill a financial need in obtaining a higher level of education. You are entering the next chapter in your life and we would like to give you some assistance in fulfilling your educational goals. Although you are only applying for a chance to obtain a \$1000.00 scholarship, please take your time and review the requirements of the application.

Once you submit your application, a committee of *Mattapoissett Police Officer's Association* members will review each application submitted. The committee will then select the top applicant(s) to be awarded a scholarship.

If you are the selected recipient(s) of the 2015 scholarship, it is expected that you respond to our notification. In the summer, you will be photographed for our publications as a recipient. You will be issued your scholarship award the second semester of your school, after the association receives a official copy of the recipient(s) first semester transcript.

Only 2015 high school graduates will be considered for this scholarship opportunity. Any questions or concerns please e-mail the association at MPOAINC@Gmail.com

Thank You,

Nicholas Lorencio
